## Hi Neighbor,

It is said that good fences make good neighbors. The fence dividing our properties is in need of replacement. I propose that we have Texas Best Fence and Patio ([www.texasbestfence.com](http://www.texasbestfence.com)) do the work. I have obtained and attached a quote for the fence replacement. Please let me know if you have any questions.

If you are unable to participate financially, I understand, but please let me know that you have no objection to raising the common fence as laid out in the attached quote.
